NEW YORK--(BUSINESS WIRE)--The “One Love” pendant necklace contains the world’s major religious and spiritual symbols that promote peace, love, unity, and emphasizes the universal common ground amongst all people, regardless of gender preferences, lifestyle, religious and spiritual belief.

“What would the energy look like...what would it feel like... if all of the major world religions, spiritual philosophies, and diverse peoples/couples of the universe expressed their ideologies in one sentence or in one image? What is the central spiritual/religious teaching that permeates the nucleus of our universe?”

The designer of “One Love”, Rachel Brown, comments on her inspiration: “my vision and dream of a unified world is expressed through “One Love”. “What would the energy look like...what would it feel like... if all of the major world religions, spiritual philosophies, and diverse peoples/couples of the universe expressed their ideologies in one sentence or in one image? What is the central spiritual/religious teaching that permeates the nucleus of our universe?”

“Whatever your beliefs are in God or in a higher power, or you simply follow the voice of your soul, the unwavering collective consciousness is in agreement: LOVE THY NEIGHBOR AS THYSELF AND DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU.”

“We all want the same things in life: to love, to be loved, to be happy and fulfilled, to have peace of mind and spirit, and most importantly human

dignity and respect for one another.”

“One Love” is an affordable pendant necklace which is handmade and casted individually in New York City. The pendants are made of sterling silver and 14K solid yellow gold. The pendants are made in two sizes. The small size measures 1” in diameter and hangs on a 23” ball chain. The large size measures 1.3” in diameter and hangs on a 23” ball chain. There is also a version that is hung on a black leather cord. The necklaces are organic, as there are no chemical coatings or manufacturer’s sealants used in the production of these pieces.

Jewelry designer, Rachel Brown, is known for her trend setting specially commissioned pieces for celebrities connected to world peace and global unity. The “One Love” jewelry collection is an extension of the popular Spiritual Jewelry line that has made Ms. Brown a leader in promoting universal harmony and human dignity.

This design is the hottest, trendiest, most fashionable necklace that will go viral! It transcends style, age, gender, social background and CAN BE WORN BY ALL in a further step toward universal harmony.

Rachel officially launched “One Love” at Salon Margrit & Spa on March 4<sup>th</sup> in Palm Beach, Florida.

“One Love” is available on Rachel Brown’s website and at fashion forward retail boutiques.
